REMARKS

Claims 9-14 are now in the application.

In the Office action of December 23, 2005, original claims 1-8 were rejected as anticipated under 35 U.S.C. § 102(b) by US Patent No. 4,773,759 (Bergh et al). Claims 9-14 were allowed, however.

Further, applicant was required to file replacement drawing sheets for FIGS. 1, 14 and 15, since the original figures contained hand drawn legends and numerals. Two replacement sheets illustrating the figures as corrected, are annexed to the present amendment.

Claims 1-8 are now canceled. Remaining claims 9-14 were found to be allowable over the art of record. In view of all the foregoing, the application is now in condition for allowance, and a favorable action is respectfully solicited.

Respectfully submitted,
